

Your Wisconsin Medicaid provider enrollment application is waiting

Live trainings now until March

You provide home and community-based services under one of Wisconsin's adult long-term care waiver programs. That means you need to enroll with Wisconsin Medicaid through the ForwardHealth Portal. The deadline is January 1, 2026.

Reap the benefits

Enrolling now gets you listed in the public-facing ForwardHealth Provider Directory. You can easily choose the services you want to deliver, and the programs relevant to you.

You can get notifications sent right to your email. Sign up for the **Adult LTC Waiver Provider** email list at www.forwardhealth.wi.gov/WIPortal/Subsystem/KW/Subscriptions.aspx.

Start now—it has advantages

The Wisconsin Department of Health Services is hosting live trainings now until March. They're a time to:

- See what the enrollment application looks like and how it works
- Ask questions
- Get help from a real person

Live trainings will end in March—don't miss out!

Others say, "it's such an easy process!"

“Wow, such an easy process and I am so thankful I have [support] to help with this!

-Nonresidential day and vocational provider

“I feel prepared for the enrollment process after today's training.

-Live training attendee

“This support makes me feel so much better in knowing how to complete the process.

-Adult family home provider
