

**Our Mission:** *The Disability Service Provider Network (DSPN) exists to support and be a resource for member providers through advocacy and education resources so they can provide the highest quality and full array of services for those with disabilities throughout Wisconsin.*

**DSPN members:**

- Employ over 5,000 staff
- Serve more than 12,000 individuals with disabilities across the full array of services
- Operate in 450 locations throughout the state of Wisconsin
- Members are an integral part of their local community and economy – many for decades

**DSPN is comprised of:**

- Experienced, strong, and diverse providers delivering Home and Community Based Services (HCBS) in residential and non-residential settings
- Settings include community-based and center-based vocational and day services, supported employment, job development, training and placement, competitive integrated employment, care management, Community Based Residential Facilities (CBRFs), Adult Family Homes (AFHs), supported living arrangements, Adult Day Care Center (ADCC) services, early intervention
- Additional services that enable people with disabilities and economic disadvantages to live and work in their local communities
- Employment opportunities within DSPN Roadside Facilities teams

**DSPN works for all HCBS providers across Wisconsin with a focus on critical matters such as:**

- **Advocacy** - Working towards long-term solutions that support providers now and, in the years ahead.
- **Funding** - Minimum Fee Schedule and the future of Family Care reimbursement
- **Workforce** - Providing support for your settings and those you serve.

*Together, we can work towards better outcomes for the individuals served in Wisconsin, as well as a more prosperous and sustainable environment for providers.*
